DEDICATION

The 1973-1974 Exeter is dedicated to Mr. Jack Matthews, Ferris' Assistant Principal. Mr. Matthews was born and reared in Wedowee, Alabama. He came to Spokane in 1948 while he was in the Air Force. After being discharged from the Air Force in 1955, he attended Gonzaga University and received his masters degree in administration. He began teaching in Spokane in 1958.

Before coming to Ferris Mr. Matthews taught in District #81 at Bancroft, Hamilton, and Salk. He started at Ferris in 1969 assuming the duties of Dean of Students, a position he held for five years. In 1973 he was appointed the position of Assistant Principal.

Mr. Matthews has performed excellently in this position and has earned the respect of both the faculty and students. He has a positive attitude on life that shows through in his work with students. The Exeter staff gratefully wishes Mr. Matthews the best of luck in the years to come.

Congratulations to the editors and staff of the Exeter for this pictorial chronicle of events for the school year 1973-74. You as Saxons have played an important role in the history of this school.

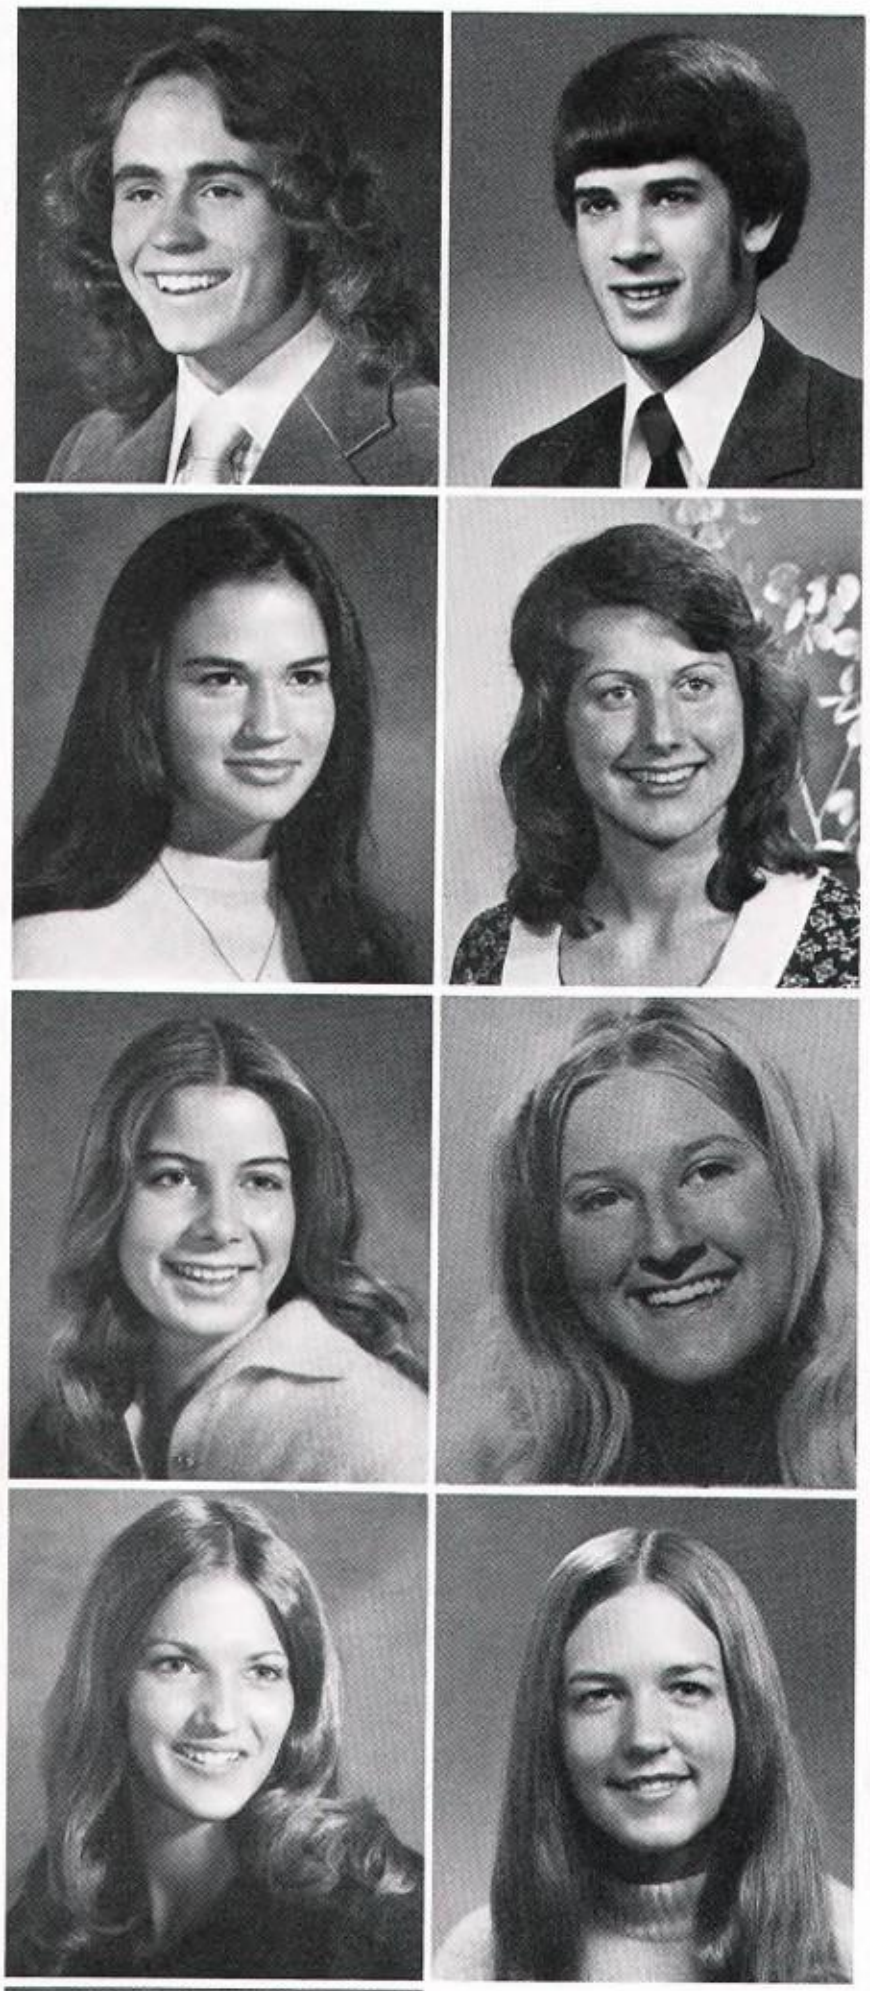
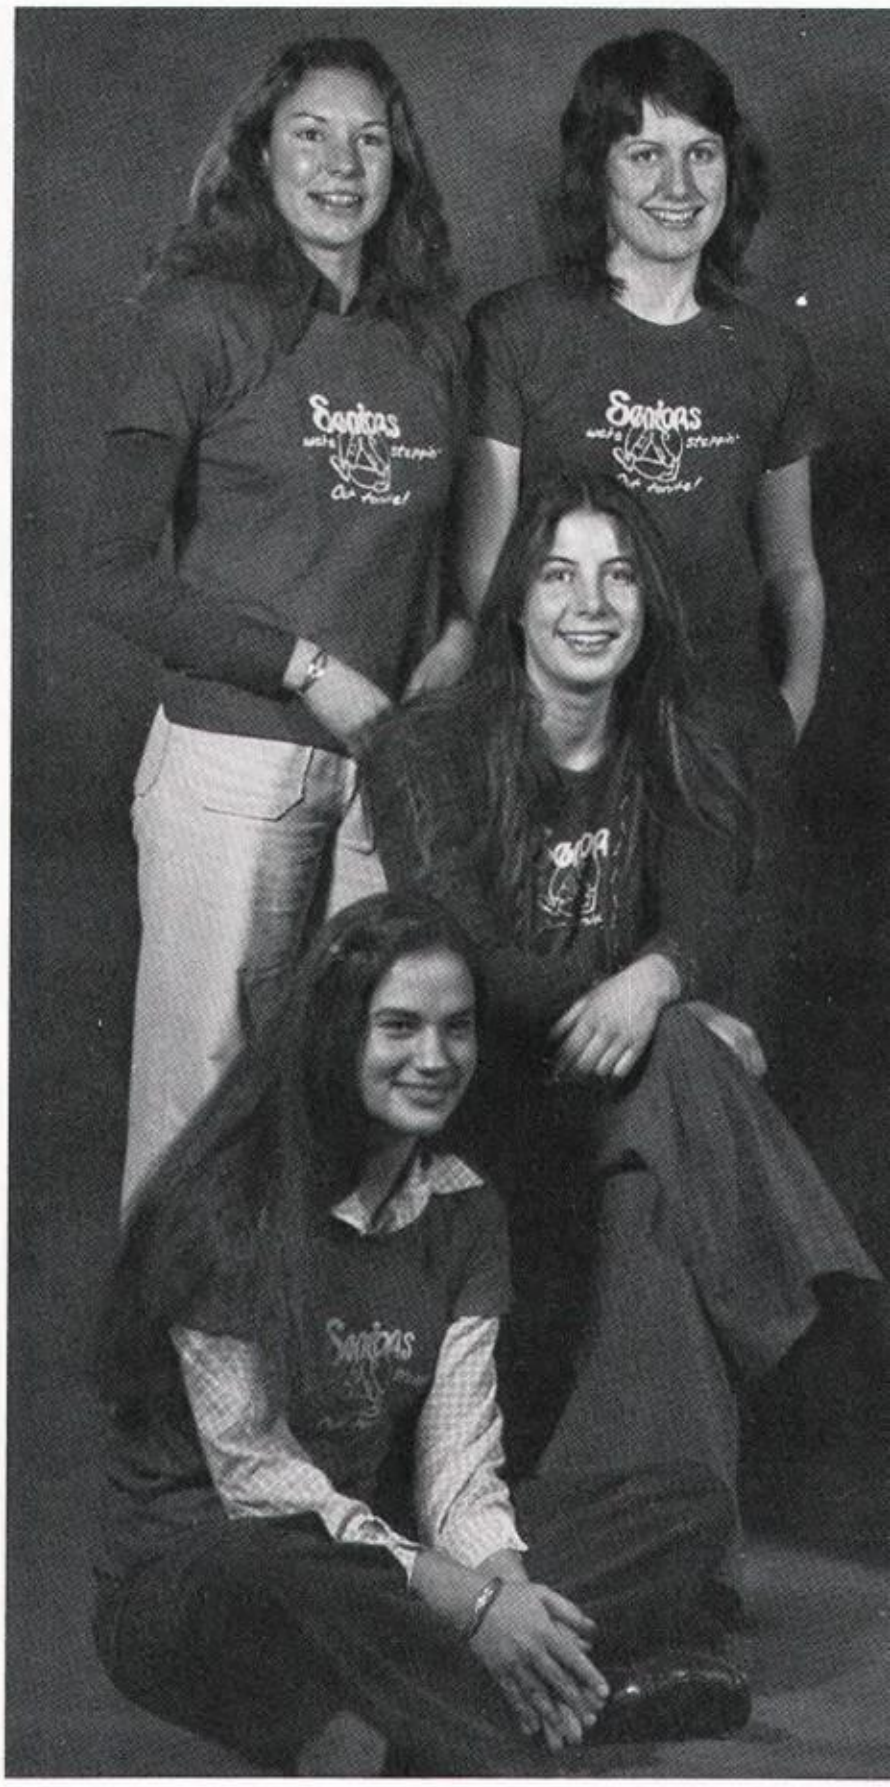
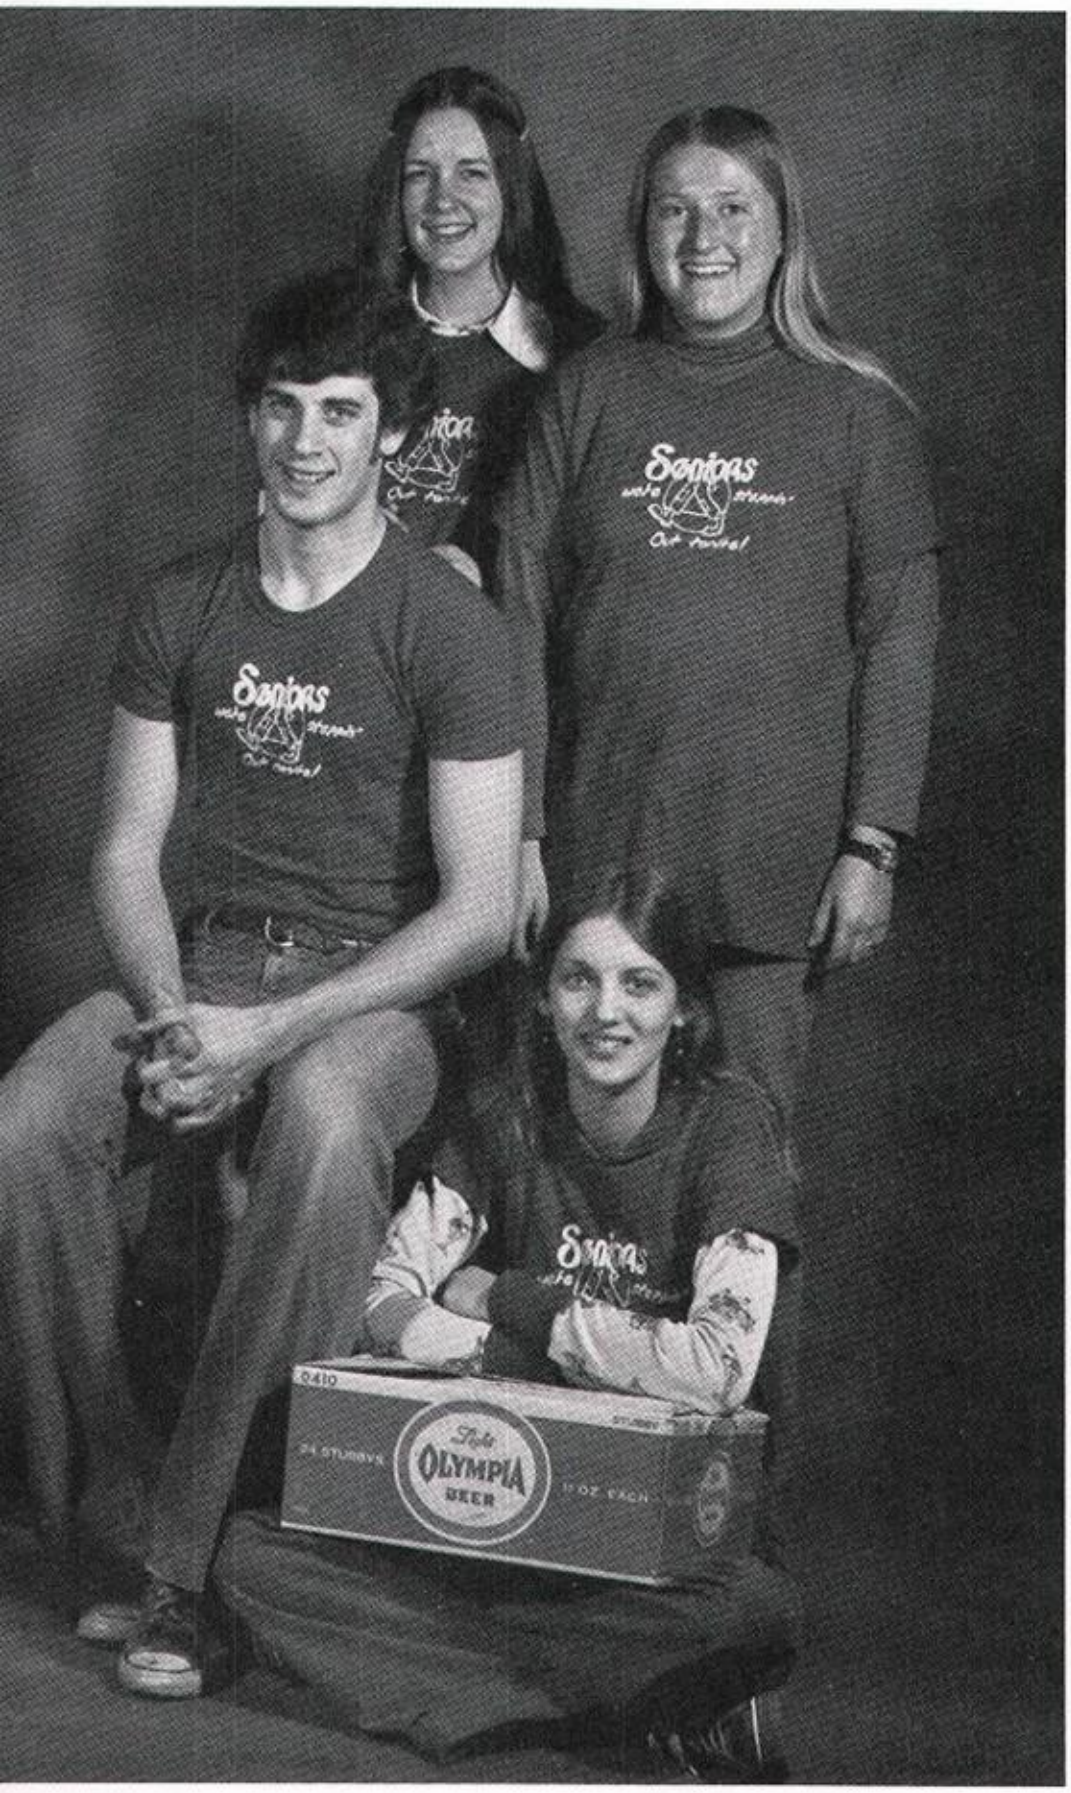
The 1973-74 Senior Class Officers are pictured below. Fall Semester Officers are in the left-hand column. From top to bottom are: President, Bob Striech; Vice-President, Kathy Endahl; Treasurer, Kathryn Nerass; Secretary, Kathy Olson; and Sgt.-of-Arms, Siri Moss. The Spring Semester Officers are in the right-hand column. From top to bottom are: President, Mark Luce; Vice-President, Megan Gorman; Treasurer, Janet Kelly; and Secretary, Gayle Happy.





Senior Officers Are "STEPPIN' OUT TONITE"



Led by class officers, the "Steppin' Out Tonite" mixer was a big success. The dance was advertised by red T-shirts with "Seniors are Steppin' Out Tonite" written in bold white letters. These T-shirts sold for $2.50 a piece and could be purchased by any senior. Chalk up another fantastic moneymaking idea for the Senior Class!

Fall semester officers were very busy this year. Their days were filled with plans for Homecoming activities, sucker sales, Senior T-shirts and mixer, and other social functions. Bob Striech, President of the Senior Class, said, "I enjoyed being president because I became actively involved with the class and was given the opportunity to get to know our administration." He felt the semester activities were a big success and "enjoyed being a part of them."

Our Spring semester officers, under the direction of Mark Luce, were very busy with plans for all of Mark's suggested activities. A Volleyball Marathon, a Senior Swim, and a Senior Sneak (where the Seniors took a day off to have a good time) were some of Mark's original and brilliant ideas. Mark also headed our traditional activities; the Senior Prom, the Picnic, the Breakfast, and, of course, Graduation.

1974 Senior Prom

"PLACES IN OUR PAST"

"Places in our Past" was the theme for Ferris High School's 1974 Senior Prom. The dance was held at the Spokane Community College Lodge on the evening of May 18.

Like many other departing seniors, Shannon Birchill and Steve Moser spent a most memorable evening. Dining at the Black Angus and dancing to the music of Bighorn was a pleasant way to begin the evening. But most of the time found them reflecting on moments past and dreaming about the times to come.

Connie,
I'll write sloppy too.
Someday you'll have these
kind of pictures in a yearbook.
I like being your friend.
I don't know what else to
write. I've been writing allday.

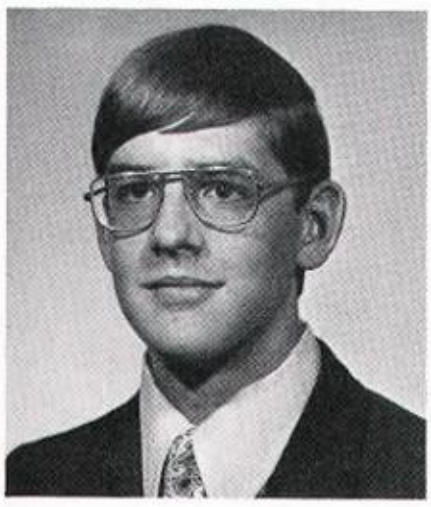
1974 Valedictorians



Doug Baxter

Doug has been active in Honor Society, and he originated Ferris' Math Club. He also participated in regional and national science fairs.

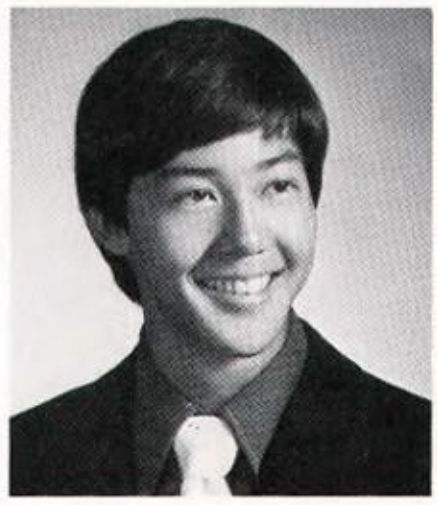
When asked what he liked best about Ferris, Doug replied he "liked the modular system because it allowed more freedom and flexibility for students." He also stated that he "liked the idea of seminars for discussion and labs for different facilities."

Doug's future plans are to attend either the U. of W. or W.S.U. and pursue a double major; a Professor of Math and a Doctor of Medical Research.

Joy Wagner

Besides her studying, Joy has been active in school and out of school activities. She was Vice-Pres. of Honor Society, A.S.B. and Senior Class Rep., and Ecology Club member, on the Yearbook Staff, the accompanist for the Mixed Chorus, a member of both Pep Club and Valkyrs, and she attended Girl's State. Out of school she has both art and piano lessons, she snow skis, and she was on the Girl's Tennis Team.

When asked what she liked best at Ferris, Joy answered she liked, "the seminar, large group and lab system, because it allows variety in classes."



Larry Furumasu

Larry, the most athletic of the three valedictorians, has been active in Varsity Cross Country and Track, Key Club, Friendship Club, Letterman's Club and has been the President of the Honor Society. Larry especially liked his classes in Math and Science, among them his favorite was Mrs. Koller's Jr. Biology Class.

When asked what he liked best about Ferris, Larry replied he, "liked having the freedom to choose his classes."

For the future, Larry plans on attending W.S.U. and pursuing a major in either Math or Science.

Valedictorians commence graduation festivities.

Connie,

This has been the best year of all. We've known each other since 6th grade, and we've still good friends, I guess that means we can stand each other. I'm really glad I ended up in your algebra class, or I might have missed ya this year. I really hope we have each other in a class. (more than 1, and I'd go nuts) Have a fantastic summer.

DISTRIBUTIVE

Connie,
I'll sign your yearbook even though I don't know who you are.
I'm glad I got to know you for you seem like a sweet kid. It was nice having you in chemistry.

Love,
Fred.

Connie - just kidding - the problem is that I know you too well. Heh-heh - for someone that's gone to Sweyolakan 5 times - I wonder - I shouldn't even associate with you except I've gone 4 -

Its too bad you got in my same alt class and a lot of the same free-time but better luck next year. This summer when you're not at my lake - try to STAY STRAIGHT AND try not to get in trouble - but

If you must DO something I DO - DON't get caught. Even tho you are the fastest whizzzz in the west since you messing up my yearbook boopby I try to be nice and not say how bitchie you are + weird + snotty etc. See what I get for being so nice. You bitch.

I HATE YOU

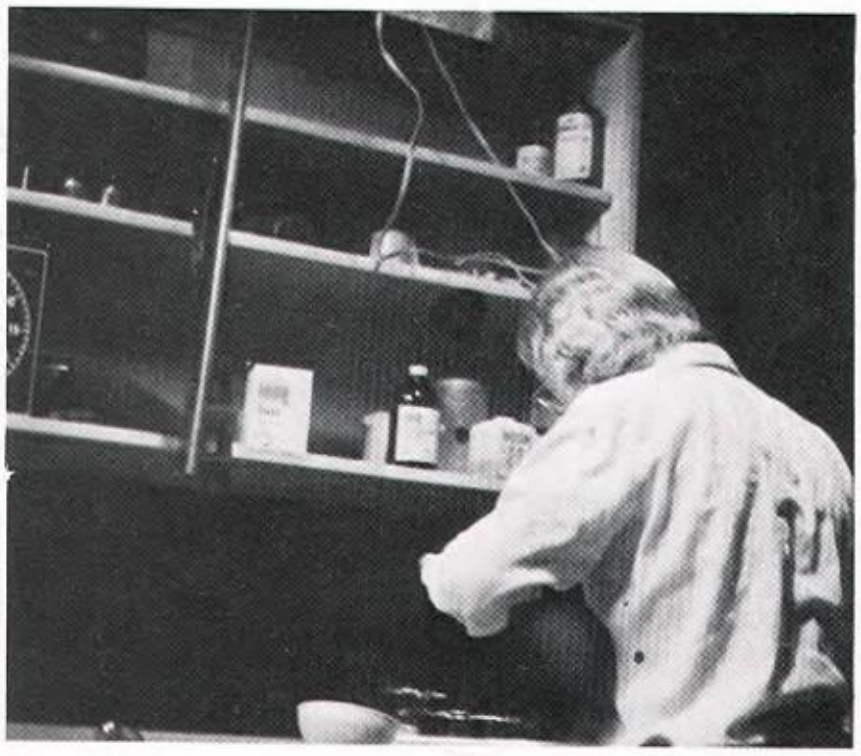
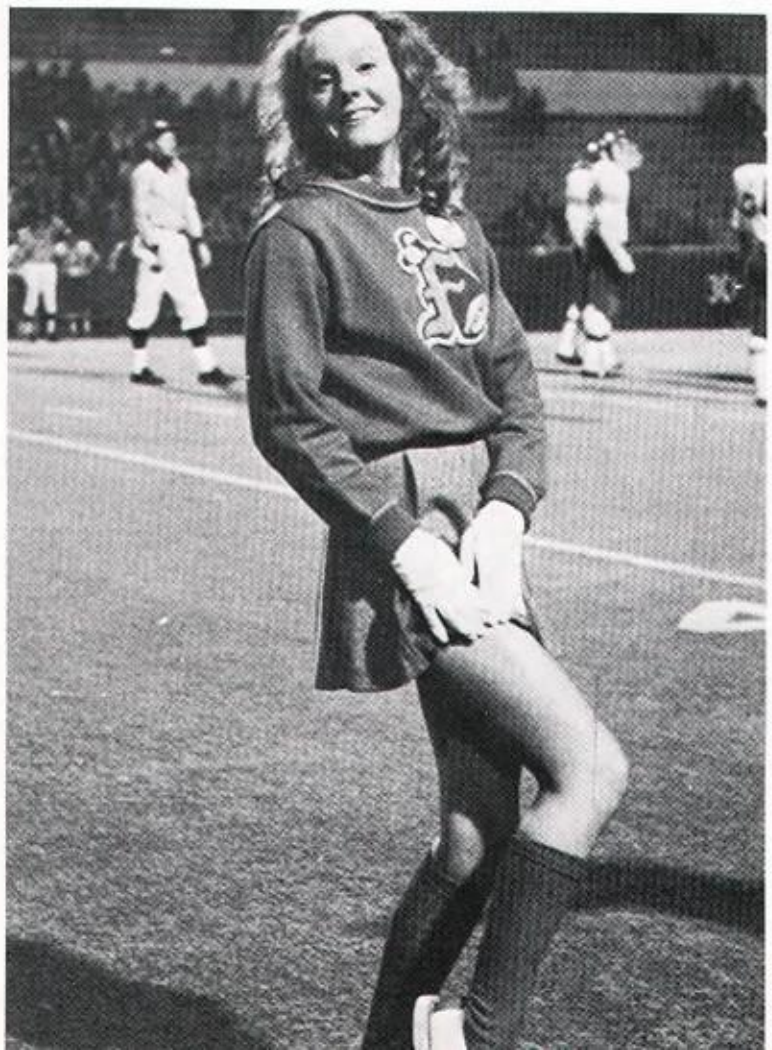
ORGANIZATIONS MAKE IT MORE



A year is only a day, lived 365 times over. What you accomplish in a year depends on what you accomplish in a day. A year is full of friends and enemies, laughter and tears; brisk autumn nights and warm spring days filled with never-ending activity. The year is full of battles, whether the fight is to save a city or win a game; hard work grows into tremendous accomplishment. Whether your year is spending months preparing for a musical or just gazing in wonder at the splendor of a snow covered world, become involved in something. So that when the year ends, it is more than just over!

Connie Witte



THAN JUST ANOTHER YEAR!

A.S.B. FALL OFFICERS

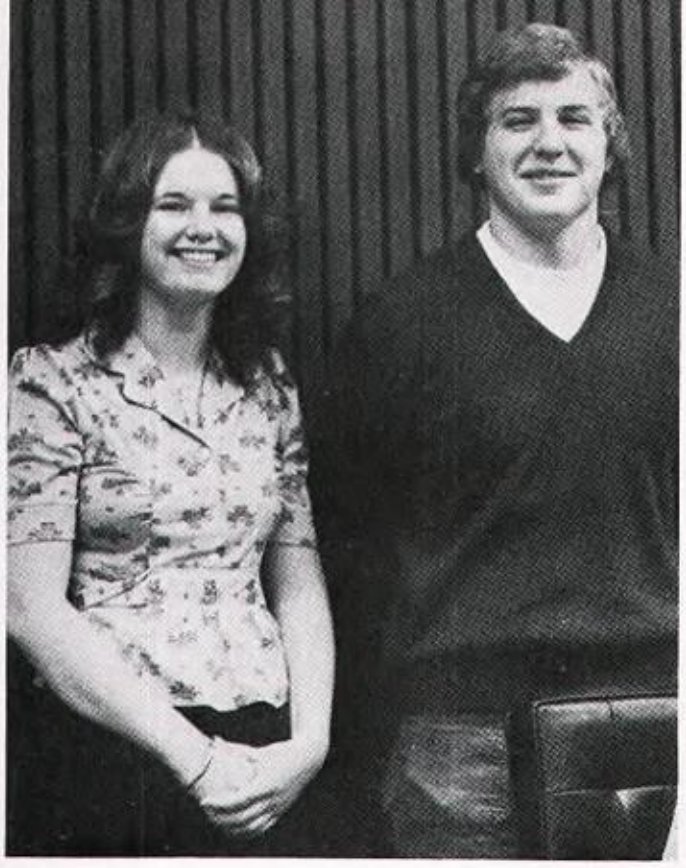
Left to right: Sandy Holloway, historian; Dale Goodwin, president; Brian Rodgers, vice-president; Charlie Chaplin; Kathy Beil, treasurer; and Megan Gorman, secretary.

The first semester A.S.B. officers started the year off right by putting on Hello Week, which included many activities such as Twin Day, Friendliest Girl and Boy, and an exuberant Kick-off Mixer after the first football game. In November they sponsored Ferris' first Homecoming Week. It was an action-packed week with a Music Con, Alumni Tea and 1963 Dress-up Day.

The spring and fall semester officers were honored at the exciting Inaugural Ball on February 9th, at the Davenport Hotel. After the spring officers were officially installed, they began work on the open-door policy, drug prevention and revising the constitution. They planned to finish off the year with a spring retreat, where they were to discuss school problems.

A.S.B. SPRING OFFICERS

Left to right: Connie Witte, secretary; Steve Moser, vice-president; Shannon Burchill, historian; Bruce Kenney, president; and Kathy Adams, treasurer.

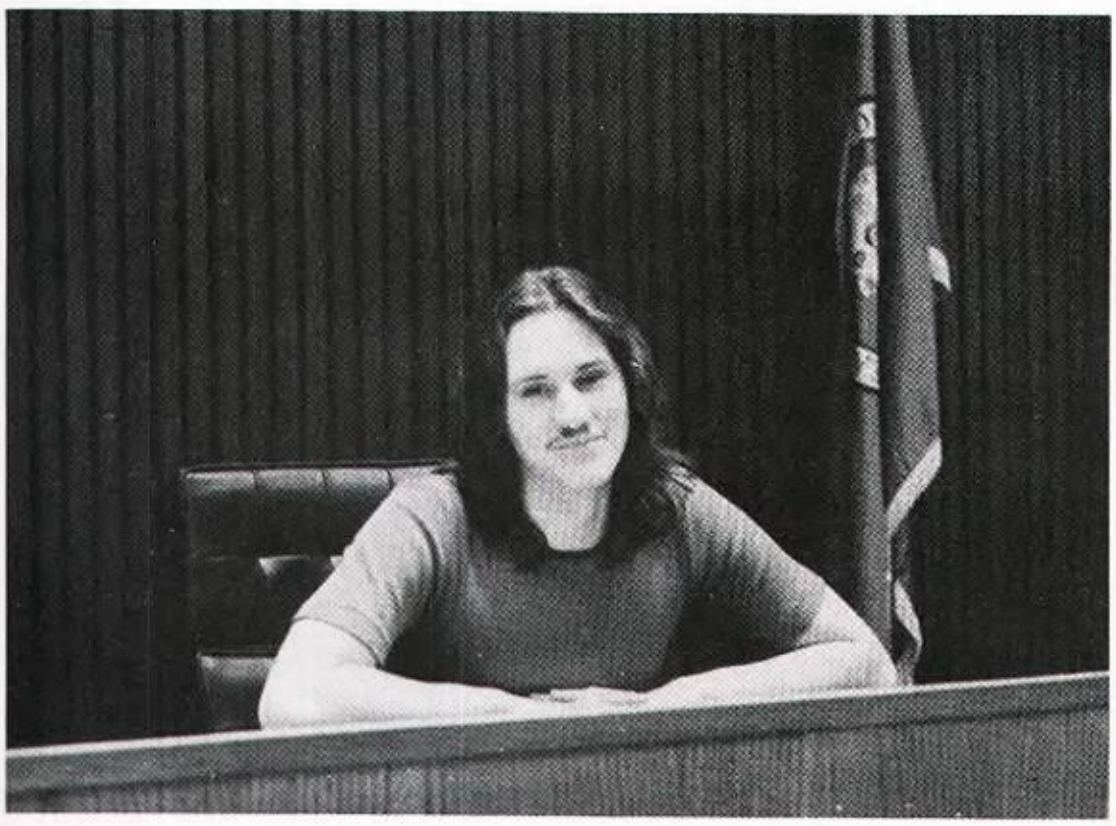


Haven't I seen you someplace before?

Just like I said before . . .

Candidate number two is . . .

Fall Semester officers put it into high gear.



Here come 'da judge!

You just got up too?

L. OF D. FALL OFFICERS

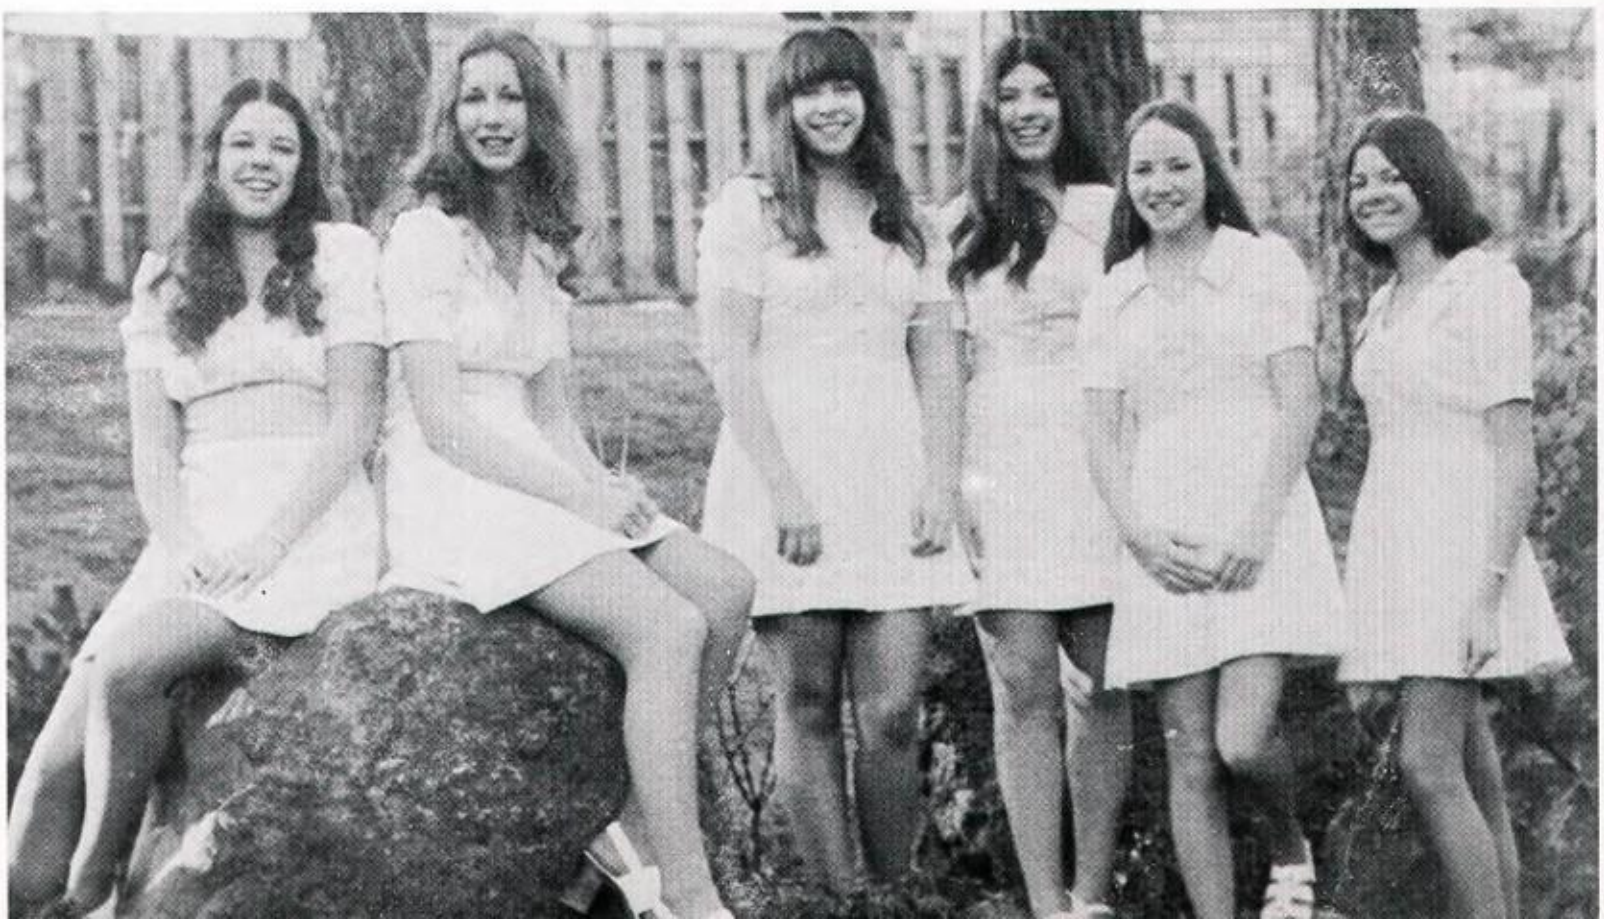
Left to right: Bobbi Gustafson, treasurer; Sandy Swanson, historian; Shannon Burchill, president; Sue Westfall, secretary; Kathy Wynn, sgt.-at-arms; and Kathy Adams, vice-president.

The fall semester officer's first project was the band Fren-ship playing at a con. Their next activity was the successful Christmas dance, "Essence of Pep-permint". Along at Christmas time, as a service pro-ject, they visited the mental health center. Along with Friendship Club, the girls took gifts and cookies to the patients. In January, the L. of D. sponsored their annual Dad-Daughter Dessert.

The spring officers were installed at a con on January 31st. Their first event was on February 19th, when they held a representative dinner. The officers' other plans included a spring dance on March 14th, a service project in April and the annual Mother-Daughter Tea on May 22nd. Both spring and fall semester officers had very successful terms in office.

L. OF D. SPRING OFFICERS

Left to right: Gail Fogelquist, treasurer; Susan Holloway, historian; Allene Finley, vice-president; Debbie Hughes, president; Carrie Adams, sgt.-at-arms; and Kim Wimer, secretary.



COURTESY GIRLS ASSIST

Bottom (left to right): Marilyn Carbaugh, Marilyn Bierly, Kathy Hill, Louise Pittman, Row 2: Robin Anacker, Terri Bosch, Debbie Hughes, Linda Keatts, Lynn Yenney, Allene Finley. Row 3: Judy Laxton, Janet Jones, Diane Pointer, Debbie Johnston, Sandy Hawkins. Row 4: Debbie Janzen, Linda Tanner, Ruth Shore, Valrie Hubenthall. Row 5: Judy Green, Peggy Gerke, Miriam Boese, Carol Bray. Row 6: Marilyn Park, Christy Babbitt, and Audrey Canton.

Courtesy Girls is a group of junior and senior girls who usher at all school social events, and assist in any other way requested. They are a branch of and funded by the League of Dresden.

BOWLERS QUICK ON THE RECALL

Clock wise from top: Bill Entel, Peter Vathis, Bob Beschel, Pete O'Brien, Dale Goodwin, and not pictured Stu Sonneland.

Bob, Pete O., Dale, Stu, Bill and Pete V. are the High School Bowl team for 1974. They are only six of the two hundred persons who originally competed for a place on the team. Mrs. Darou, the advisor, conducted six elimination sessions that undoubtedly became more difficult each time. The team depends on their quick recall for the answers.

LANGUAGE CLUBS GO INTERNATIONAL

Trying a new idea this year, the Spanish, German and French clubs combined into an International Language Club. The club's first project was an International Language party, held for Oddvar Larsen, Ferris' foreign exchange student from Norway. The other special guests included Francis Gabe, from France, and Bob Konizeski, from Germany. They are both students at Ferris.

The German and French club members also had plans for activities that were separated from the International Language Club. The Spanish Club participated mainly in the combined projects.

The German Club listened to Frau Rapp speak about German Christmas customs, and they all ate heartily at a German food potluck dinner. Also the students had a camping trip planned for the spring.

The French Club began their year with a French dinner with French-American citizens. Then in February, the club's members arranged a Mardi Gras. Plays, puppet shows and colorful costumes were to help make it an exciting event. Also the French students are kept busy with their picture-slide exchange with a high school in Carcasonne, France.-

Exeter's eager staff members decided to get off to an early start by watching films last Spring, attending meetings during the summer, and getting acquainted at Bill Maag's lake cabin during a fun-filled weekend in August.

During the school year the staff spent many hours writing copy, cropping pictures, laying out pages, and hustling advertisements for the 1974 Exeter.

Gail King and Bill Maag, co-editors, along with other members of the staff attended a conference at Whitworth college to gain a better understanding of yearbook publications.

Mr. Gary Simpson was faculty sponsor of the Exeter.

And here sits Dale.

One of Homecomings main attractions was the lettermen's second annual pizza feed. They also planned another pizza feed and a sporting goods auction.

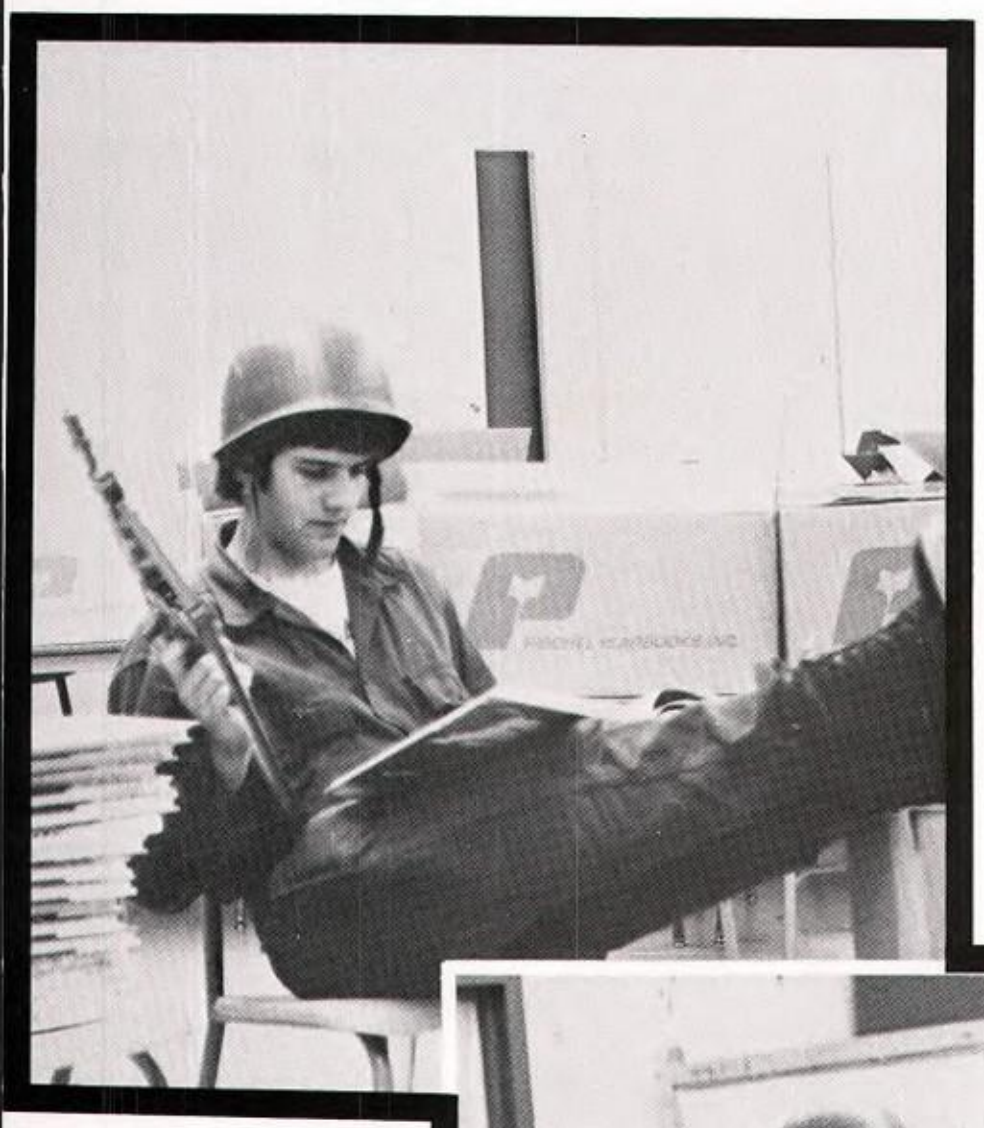
"GORUMA"

YEARBOOK SECURITY FORCES

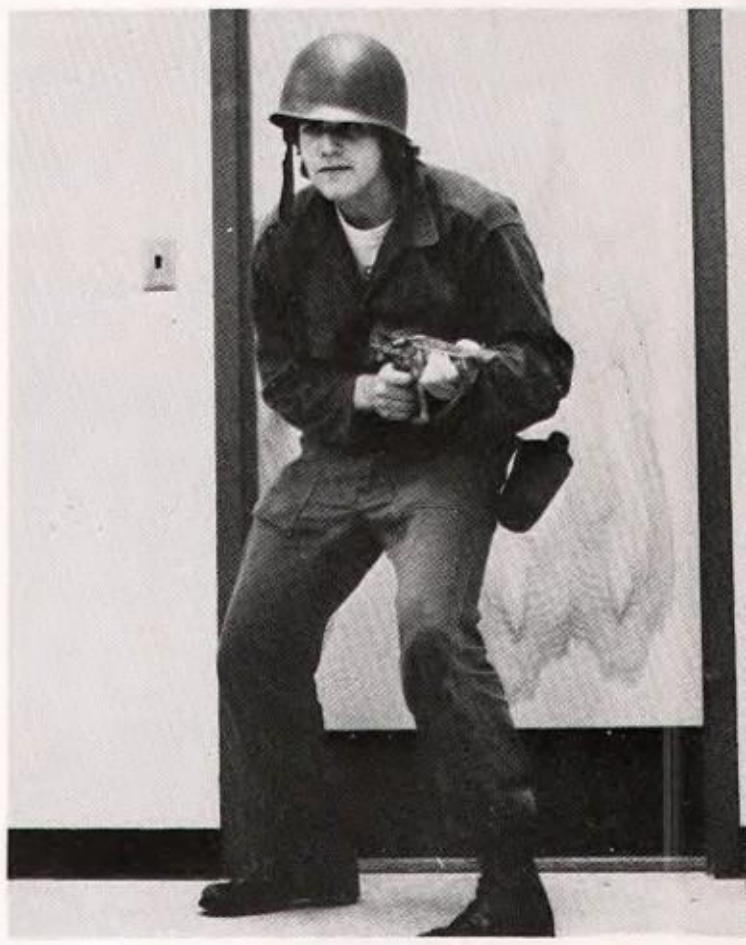


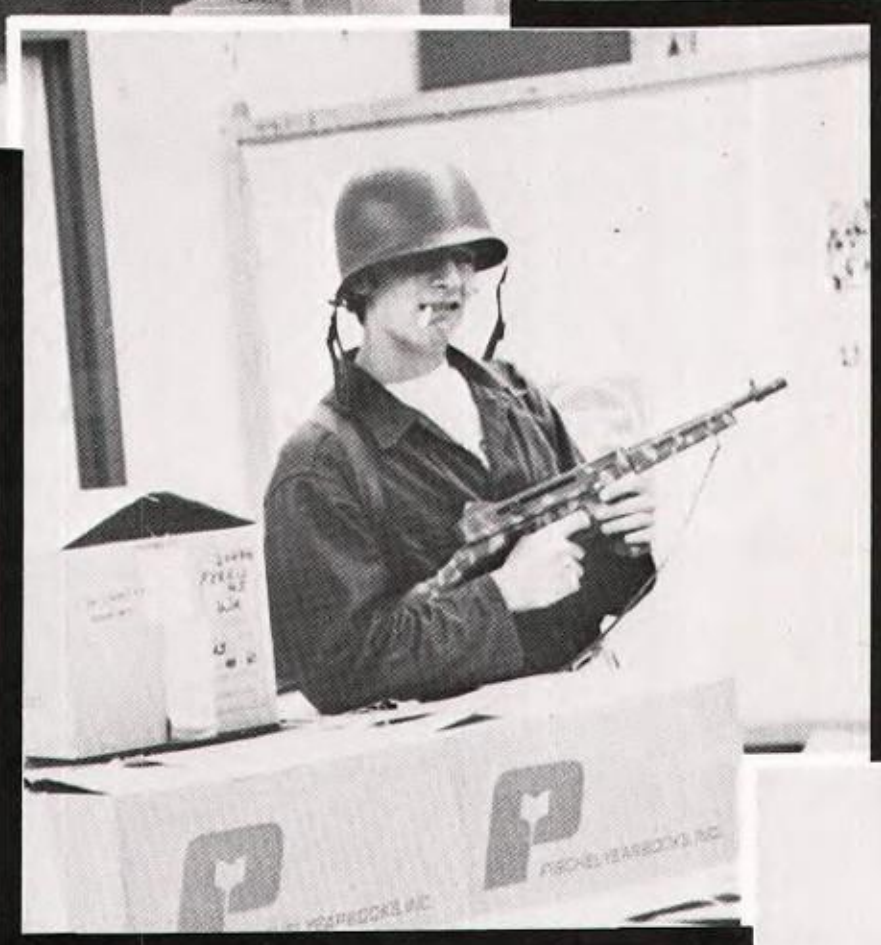
A three man security force, code named Goruma, has been specially trained to guard against yearbook theft. These top notch professionals fight off evil forces attempting to rip off the Ferris Exeter and are instructed to concede nothing: shoot to kill.

Goruma forces are comprised of three extraordinary enforcers. Lieutenant Ma leads the forces. He is highly skilled in the field of demolition. Sergeant Ru is the weapons expert of the force. Private Go handles the intricate mechanics of Goruma. Combined, these three individuals are an immovable force against crime. All three have received letters of commendation from the President.

Each of the past two years, Goruma has guarded sixteen-hundred yearbooks, valued at $10,000, the night before distribution. No outside deterent has been able to defeat the Goruma forces. Goruma force drill instructor is D.I. Simpson.

Lietutenant Ma is on the alert at the slightest hint of commotion.





Sergeant Ru is ready and waiting for an attack that never came, fortunately.

Private Go peers around box, guarding against any and all unwelcome guests.

Valkyrs expertly performed precision drills and routines for enthusiastic crowds. The marching band provided the music for half-time entertainment. The girls were led by drill master, Carol Routt, and advisor, Mrs. Diane Anderson.

The Valkyrs were Guardian Angels for an athlete during each season. This included making many signs, cakes, cookies and decorating homerooms and houses.

The Valkyrs practiced everyday from 11:30 to 12:30. During the football season, the girls practiced regularly on the football field, at 7 a.m., and during the basketball season, the girls practiced on the basketball court everyday. The Valkyrs ended their season by marching in the Lilac Parade.

THE POWER BEHIND THE TEAMS

Ferris had seven very active girls running around the halls on Thursday and Friday mornings, decorating the halls, and delivering treats to the players.

They helped raise school spirit, by selling buttons, which provided them with the money to purchase their new cross country skirts.

The girls meet four days a week from 11:30 to 12:30, and many days after school. They were always hustling, learning new cheers, or preparing for a pep con.

They ended the year, marching in the Lilac Parade.

All the seasons offer exciting and challenging moments to the members of the outing club. Fall is spent tromping through the woods and pedalling along country roads. With the snow comes snowshoeing expeditions and cross country skiing. More hikes, mountaineering and bike trips finished off the year in the spring season.

BOARD PLAYERS EAGER TO WIN

Ferris' chess team members participate in the city tournaments and are eager to be the best in town. Al Thompson is the First Board Player which means that in competing against his Ferris teammates he has won the number one position. Also Al is the head of the city league and is kept busy arranging the matches. All of the players are members of the Spokane chess club.

THE BRAIN TRUST

This year Ferris' Honor Society became a member of the National Honor Society. The membership requirements were to be changed to conform with the national rules. But the club did keep some of their activities the same, such as their major project of tutoring students at Adams Grade School. Also the Honor Society's plans included a breakfast before school, and a bike rally.

STAFF GETS HIGH ON NEWS

The "Easy Writers" devised a revolutionary system for achieving efficiency. By placing a "Z" on the chest of all staff members this has enabled them to sleep better, thus producing more creative and prolific minds.

Fighting the evil forces of censorship, libel and the code of ethics, the staff every capably published eighteen indubitable issues of the Saxon Chronicles.

The Band's polished marching routines were due to many long hours of practice. The Ferris Saxon's Marching Band received their new uniforms before the first game, and proudly performed for the half-time show. Mr. Wildey, and drum major, Dan Huneywell, led the spirited group.

They decorated the court yard, throughout the year, along with many other activities. The band practiced during football, with the Valkyrs, on the football field. They ended up the year performing in the Lilac Parade.

UP & DOWN IN FALL OF '73

Saxon gridders began fall season with a 33-14 romp over the North Central Indians.

In the end
We are Saxons one and all!

Fall '73 was filled with it's share of ups and downs for the Ferris Saxons. A brisk, sunshiny October afternoon saw Doug Beckman and Tim Riley lead an experienced Saxon cross-country team to a City Championship.

Ferris footballers ran into rough water in the Fall of '73. After romping off to a convincing victory over the North Central Indians in the Saxons initial outing of the year, the gridiron gang dropped the remaining eight games.

Dedicated Ferris fans "never said die." Filling the stands game after game, Saxon supporters gave their undying loyalty and spirit to their team and school.

Win and lose, victory and defeat, in the end, are all the same for we are all Ferris Saxons and this was the important thing in the Fall of '73.

Dedicated, enthusiastic Ferris fans provided Saxon teams with much needed support during the fall sports season.

Doug Beckman exemplifies the feeling of his fellow Saxon harriers as he leads them

Fleet-footed senior halfback, Larry Hunt, led all Saxon rushers in that department. Hunt also saw action on the defensive unit.

1973 SAXON

The spirit was high and goals were set as the Saxons prepared for game number one of the 1973 season. Captains Steve Moser and Geof Fanning led their teammates to a victorious 33-14 romp over N.C. But the tide turned the following week as Ferris went down to defeat at the hands of G-Prep, 9-0. Vigorous attempts to bring victory back to Ferris fell short. The gridiron gang ended the season 1-8.

The consolation is that 26 players will return next year, 11 of them starters.

Saxon football coaches have been and always will be winners! And this alone will ignite the fuse that will begin the comeback trail for a championship bid next season.

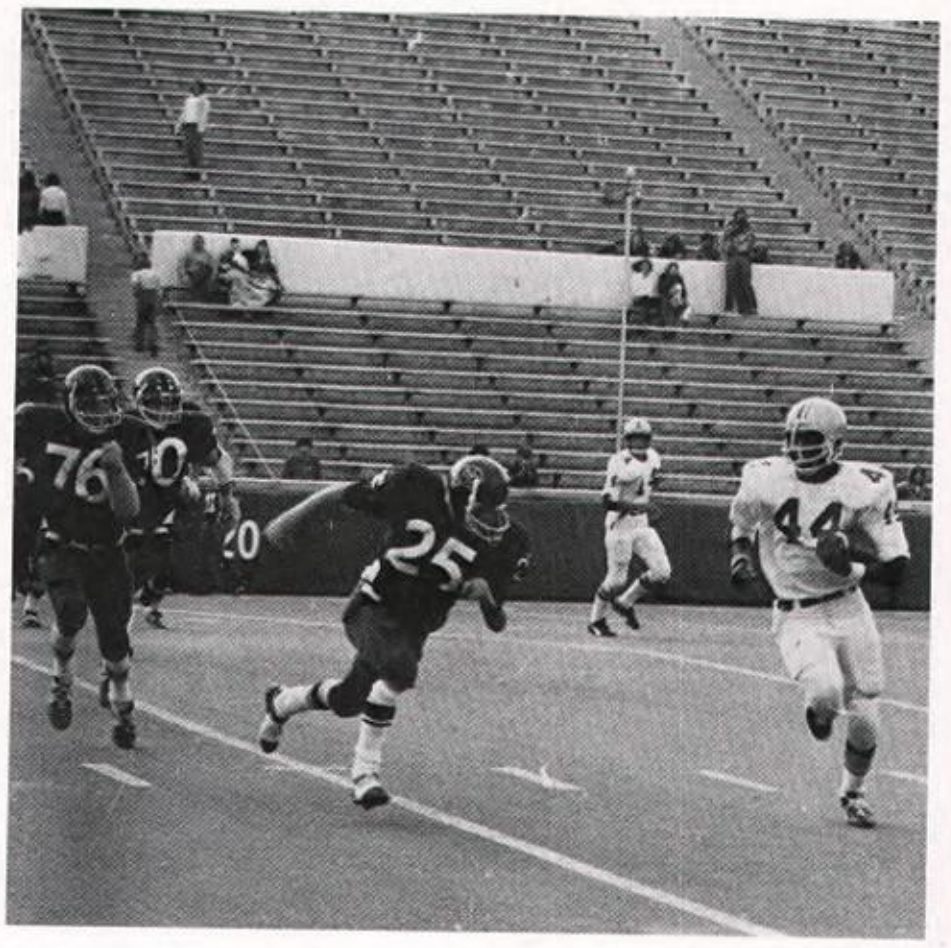
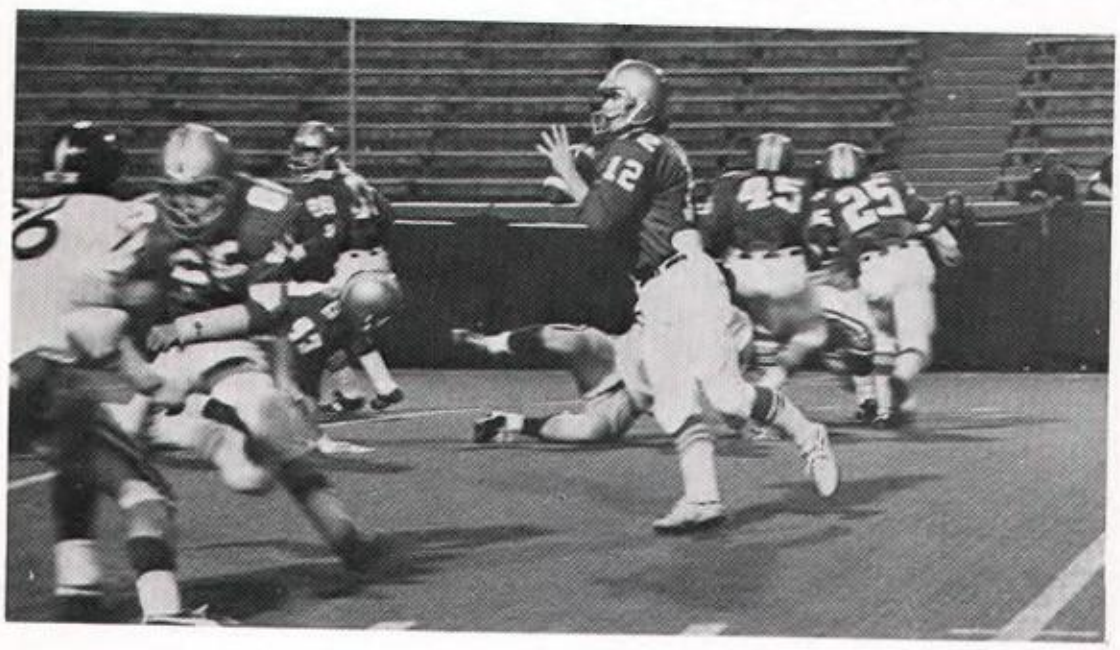
Coach Niksich

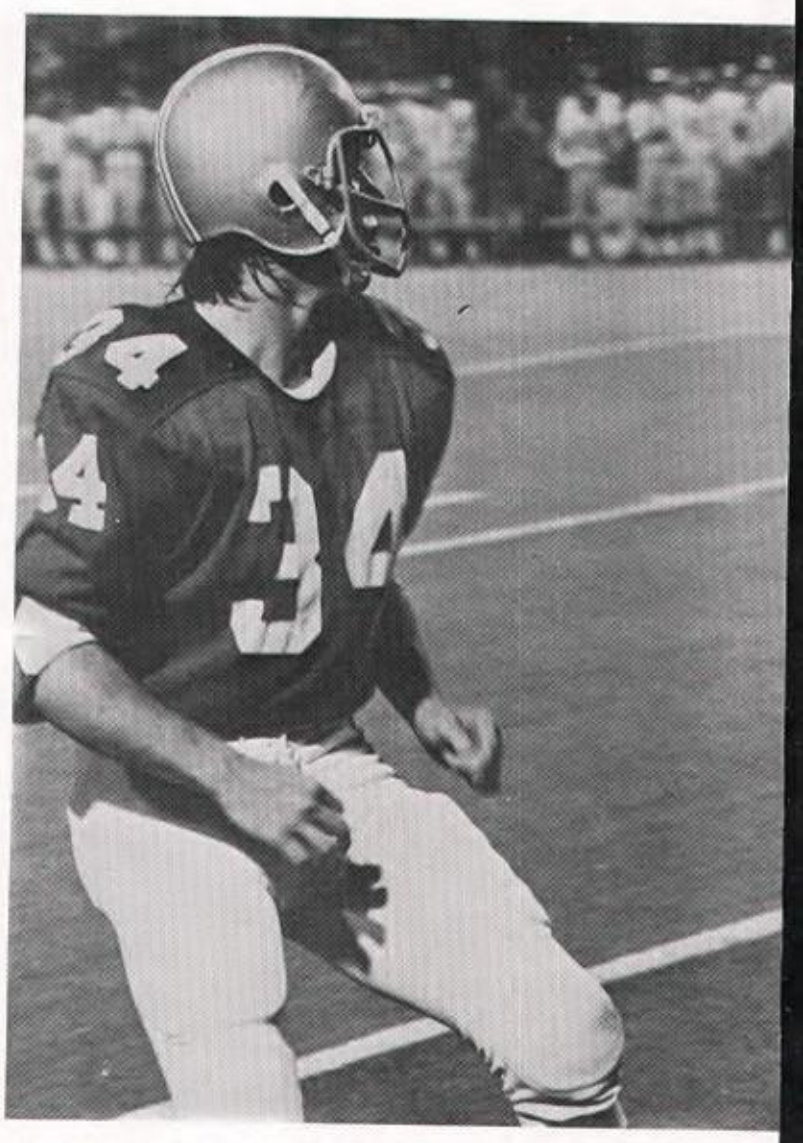


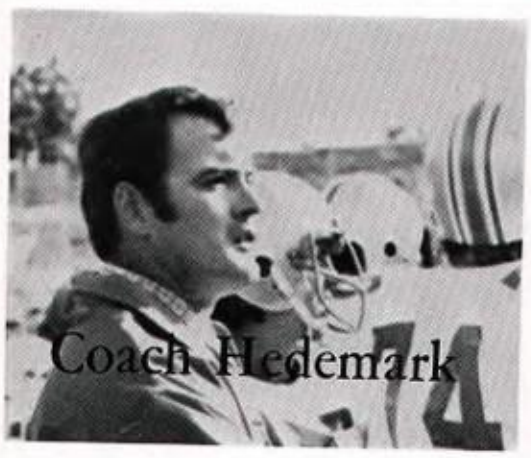
Quickness, agility, and sheer speed were big assets for Saxon Larry Hunt. Catching him was a task few city tacklers could handle.

Winning isn't everything but wanting to win is.

Roger Stilson was an inspiration to his teammates as he came on in reserve to lead the club.

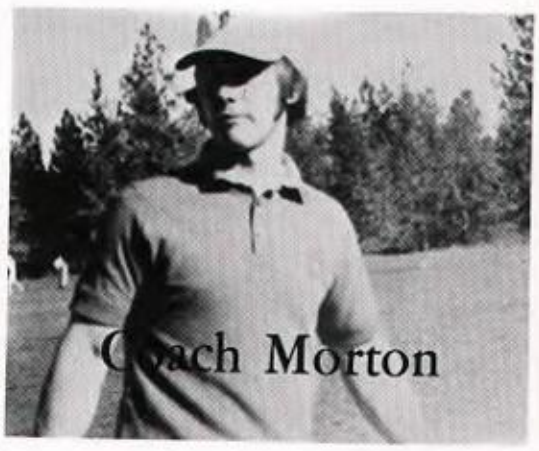






Coach Hedemark

Mr. Tom Hedemark has been appropriately named "Secretary of Defense."



Coach Morton

Mr. Dave Morton takes the reigns over the tough Saxon offense.

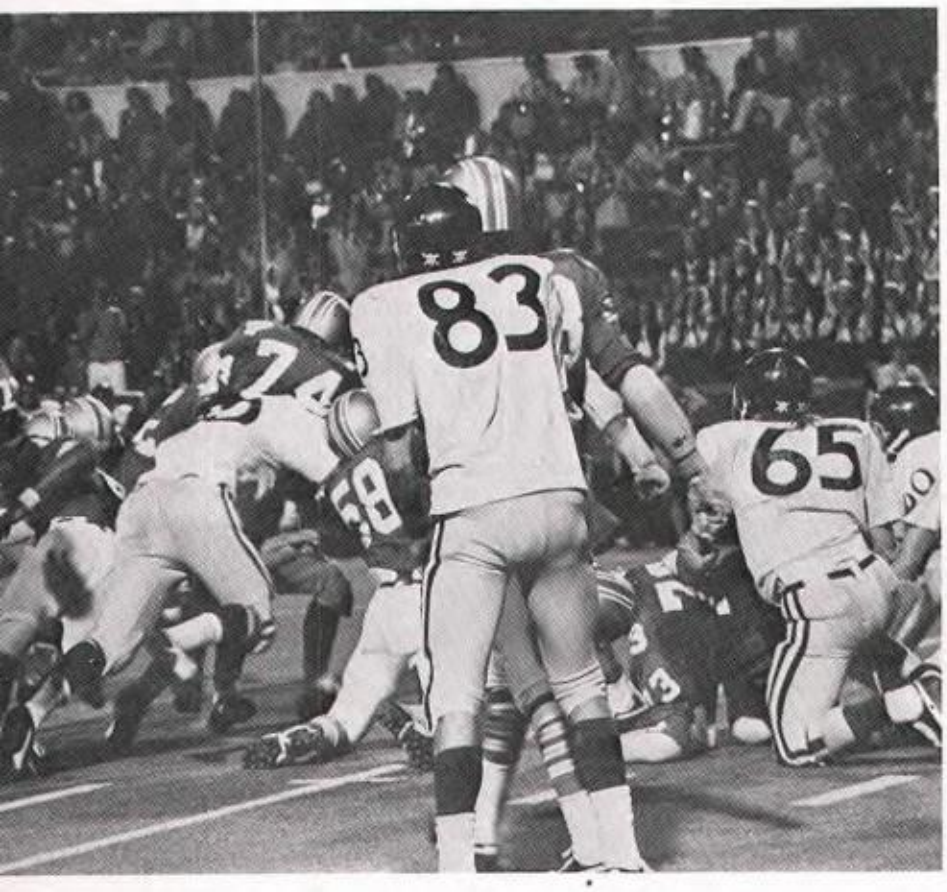
Saxons Rip City League Opponents



Saxon co-captain Steve Moser, 74, led the Ferris defense in many successful attacks on oncoming rushers.

Junior lineman Paul Cochran always gave 110%. His pursuit of the enemy seldom ended in anything but conquest.

Larry Loncon, senior split end and very underrated, signifies a touchdown as Larry Hunt sprints into the end zone.

BEES, FROSH LOOK TO FUTURE

Ferris B-Squaders gave the City League as much as they could handle. Led by Coach Bill Diedrick, the Bees captured 2nd place with a 5-3 season record, two of their losses coming in overtime. John Bravakis was the captain, Steve Larrigan "most Valuable" player and Rob McWilliams was "most inspirational." The frosh had a tough season, winning 1 of five games.

HOOPERS AND GRAPPLERS SURVIVE TORRID WINTER SPORTS SEASON

The pace slackened as the sports scene was reduced from four to two active sports during the winter season. However, the spirit, the excitement, the anticipation that accompanies winter sports was none less than that of any other season. The players, the fans, the band and everyone else was ready for the start of the winter sports season. Coach Weir amassed his wrestlers for a title bid and once December rolled around, B-Ballers were waiting for that opening tip-off . . .

As Saxons Capture 4th Place

Playing consistent team basketball, the Saxons tallied a 4-6 league record; good enough for a fourth place finish. The city league was the battleground for fierce competition as the championship was not decided until the final night. Gonzaga emerged on top of the league as Rogers and Shadle followed. Tradional of past Ferris teams was the '74 Saxons strong defense. However, the offense cannot go unmentioned. Junior Dave Leslie led the Saxons in scoring with over 170 points. Dave developed a hot hand from the outside. Senior Joel Prince was close behind in scoring and was tough on the boards. Prince was honored as a member of the second All-City team. Senior Dave Bain led Ferris in the rebounding department. John Youngman, also a senior, was a big contributor in all departments. Inexperience hampered the Saxons from doing better in '74. Only one letterman, Steve Holzer, returned from the 1973 season. Ferris shot 35% from the field and 60% from the foul line, ranking them fourth in both catagories.

Coach Foster Walsh led the Saxon J.Vers to another strong finish in '74. The Saxons placed second behind a tough Shadle squad.

Overall, Ferris won 19 games and lost 11. Sophomore Steve Larrigan was the standout performer for the Saxons as he averaged over 11 points a game, scoring 222 points in all. That mark topped all Saxon hoopers. Larrigan also gave opponents a tough time on the boards. Junior Mark Parris was the rebound leader for the Saxons as he grabbed off 135 rebounds.

"B" CAGERS

Saxon B-Squaders encountered a tough league of challengers, winning only one game on the season. However, Coach Coon explained that most games were decided by only a few points. Paul Anderson emerged as the B's most valuable player, leading the team in rebounding. Chris Hinson was the team's most inspirational player and most improved cagers were Don Wolfe and Dave Gustofson. Rick Pieroni led the Saxons in the scoring department.

Freshman cagers doused the stigma of finishing at the bottom of the ladder (traditional of past Ferris frosh teams) and fought their way to an outstanding 6-4 season record; good enough for third place in the city league.

Coach Don Lobdell felt these were the best group of freshmen ball players he has ever coached. Jim Gerson led the team in scoring and Doug Robinson was the rebound king. Most improved player over the course of the season was Dan Murphy.

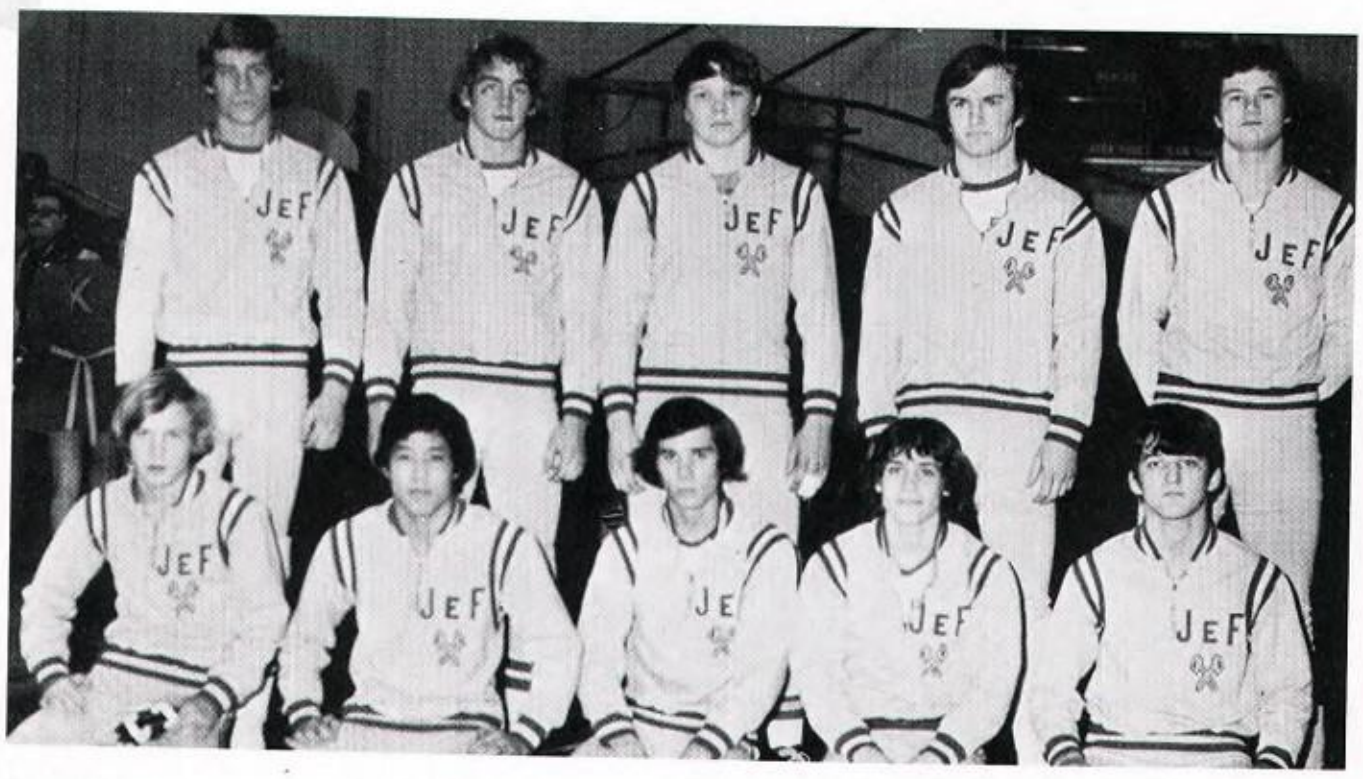
Matmen Pin Down Second Spot

A tough, scrappy Saxon squad of wrestlers went into the final league match of the year in first place before being ousted by a crew of experienced Lewis and Clark grapplers. The Saxons finished the regular season with a 6-2 mark for league play; 12-5 overall. Ten wrestlers from Ferris advanced to regional competition where half ot them survived and rolled on to the state tourney, which was held in Spokane for the first time ever.

The Saxons had several outstanding wrestlers this season, led by senior-captain Brian Rodgers at 148. Brian boasted a 21-2 individual record through regional play. He captured the number one spot on the district level, was third at regionals, and placed fifth at state. Quick and fiery junior Mark Furumasu at 115 compiled a record of 18-4 through regional play. Three of these losses came at the hands of L.C's Lane Yonago. Mark wrestled well at state and gained a third place finish. Other state competitor s wearing the scarlet and silver were Steve Sweeney at 129 with a 15-6 record, Ron Kuntz at 141, 12-10, and Adam Slobadow at 190, 16-6.



Top Saxon wrestlers who competed on the regional level are, front row, l to r; Kent Belstad, Mark Furumasu, Kelly Aktepy, Steve Sweeney, and Ron Kuntz. Back row; captain Brian Rodgers, Tom Boge, Dave Hopkins, Adam Slobadow, and George Yarno. Furumasu, Kuntz, Sweeney, and Slobadow placed second at regionals and Brian Rodgers captured a third.

Three coaches, three different moods. Coach Weir, front, silently goes through the moves he hopes his wrestler will use to get out of a sticky situation. Coach Backlund, center, cheeringly yells encouragement and Coach Simpson shouts "do or die" orders to the Saxon on the mat. All three coaches have a unique style of coaching, yet their goals are the same and they all add experience and knowledge to the sport.

FIVE WRESTLERS ADVANCE TO STATE

Steve Sweeney, Ron Kuntz, Brian Rodgers, Mark Furumasu and Adam Slobadow advanced through district and regional competition to gain berths in the Washington State AAA wrestling tournament. Furumasu, a junior, lost only one match in capturing third place. Rodgers, a senior and team captain, finished fifth after encountering a couple of tough foes. Sweeney and Slobadow are seniors while Kuntz is only a junior and will be returning for the Saxons in '75.

J.V. MATMEN

The '74 J.V. wrestlers enjoyed another winning season this year. Coach Simpson was pleased with their performance, stating they would have won all their matches if their top guys would have wrestled every match. However, the purpose of junior varsity wrestling is to give the less experienced wrestlers a chance to develop their skills. Outstanding J.V. wrestlers were numerous, including Bart Cloninger, Kevin Brown, Matt Sterley, Mike Johnson, Todd Morton, John Oakley, Pete Whipple, Chris Kunz, Mike Osburn, Kevin Hennessey, Steve Rooks, and Scott Reynolds.

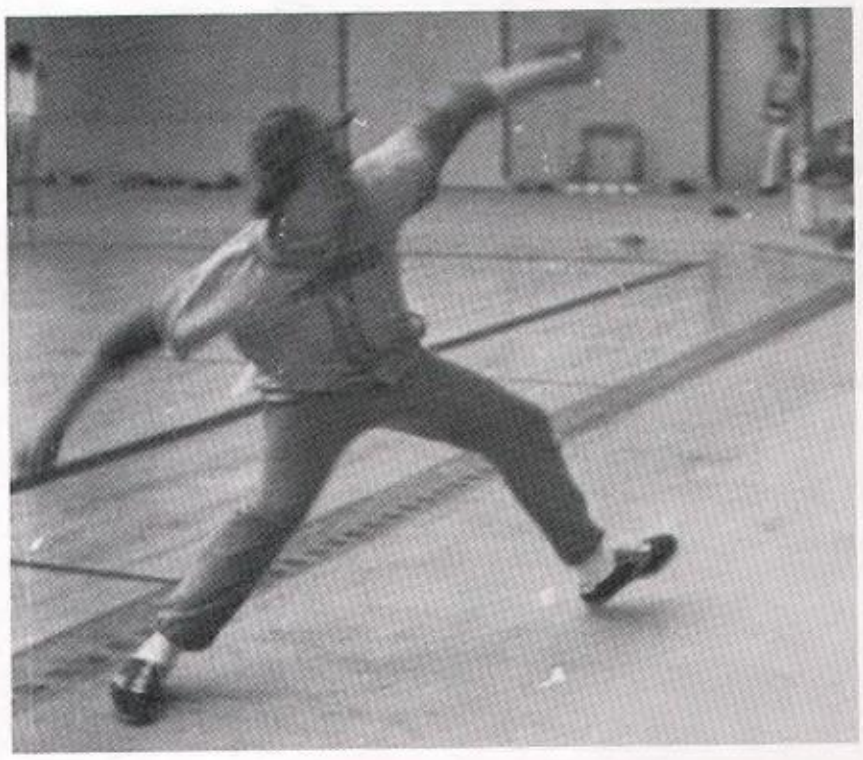
SPRING SPORTS: OFF AND RUNNING

Strikeout, finishline, birdie and deuce were common terms when spring sports rolled around. The excitement of a homerun or a Saxon crossing the finish line first, combined with the sunshine and warm spring days to draw Saxon supporters to the stands. Saxon baseballers had an optomistic attitude towards the '74 season as seven lettermen returned from the '73's second place team. The "Big Red" track crew were once again in hot pursuit of another title, and both tennis and golf teams were determined to "never say die" in seeking titles, after finishing strong seconds in fall competition.

Seven Lettermen Return for Saxons

Coach Bob Burkhart's Saxons returned seven lettermen in '74 and four of them were pitchers. All but one of the '73 gang was on the mound for Ferris this season. Captain Glen Proelss and veteran Ken Kirsch plugged the middle of the infield at second base and shortstop, respectively. Flanking them were Al Rubens at third base and sharing first base duties were George Yarno and Barry Merritt. Blake Mounsey was the only outfield letterman, but he received ample help from Don Wolfe, Dave Black and Jim Snow. Small, but scrappy catchers were Larry Loncon and Rob Reed, alternating at that position. John Youngman and John Reidy were strong on the mound as both were in the starting rotation for the second straight year.



Unexpected spring rains and early yearbook deadlines do not mix. However, this gives us a chance to show you that more is involved with Saxon athletics than what the average fans see. Hours of hard work and practice go into shaping Saxon teams into first class squads. Come rain or sleet or gloom of night, Saxons never fail to meet their appointed practice schedules, even if it means practicing in the gym.

Racketeers Raise A Ruckus In League

With a balanced combination of experienced veterans and lesser experienced rookies, Coach Len Hunt's netters turned in fine performances in both fall and spring competition. Lewis and Clark, comprised solely of a crew of seasoned veterans, captured the league title but only after tough scrapes with the runnerup Saxons. You know what they say; "When first is good enough, second ain't bad!"

'74 GOLF GANG

From tee to green, the Saxon golfing gang were ambitious competitors all year long. Finishing a strong second in fall city league action, Coach Bruce Wylder expressed hopes of going to state this spring.

"We have the potential and reputation to be the state champions."

Captain Craig Hallett, a junior, led a strong Saxon team comprised of veterans Dave Barber, Al Buckalew, and the Devlin brothers, Dan, Terry and Tim.

Hard work, constant practice, and a desire to succeed were important factors in the '74 Golf Gang success.

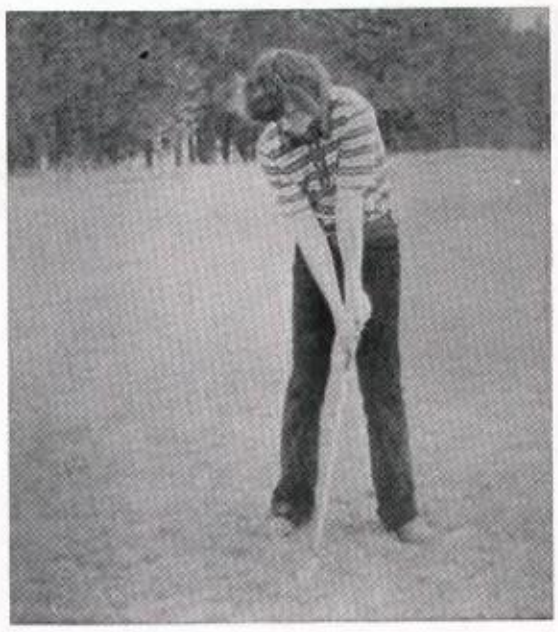
Coach Bruce Wylder gives the Saxons strong leadership and has led Ferris golfers to several first and second place finishes.

The Devlin boys, Terry, Dan and Tim, transferred to Ferris from Gonzaga this fall and added great team strength to the Saxon lineup.



Dave Barber, left, and Al Buckalew, both juniors, have added strength to the Ferris team for three years. Barber is a member of the All-City golf team.

GYMNASTS VAULT TO NUMBER 1

Poise, agility, strength, and coordination combined with four months of hard work, molded the 1974 Saxon gymnasts into a championship team. Coached by Mr. Mel Schmidt, the girls captured their first city title with a perfect 8-0 league mark, twice defeating the defending champs, Shadle Park.

Deep team strength enabled the Saxons to claim the District #8 team championship and go on to the regionals in Richland, where the girls finished a tight second to a strong Richland squad. The Saxons continued to compete on the state level where they finished ninth, highest of all Spokane area high schools.

Three Saxon gymnasts were standouts all year long. Senior Pam Brown turned in fine performances in all events, and she reigned "tops" on the uneven bars. Junior Ann Mahar and sophomore Kit Wickward will be untouchable in the city league next season as both were strong, all-around performers in '74. Miss Mahar was extremely potent on the balance beam, in the vaulting and tumbling events; and Miss Wickward was strong in the floor exercise, tumbling, and in vaulting competition. Other top performers were Kay Wickward on the trampoline and Jan Alderman on the uneven bars.

Pam Brown overcame a serious condition, curvature of the spine, when she was in 8th grade, and came on to be the Saxons most consistant performer the past two years. Above, Pam performs her routine on the uneven bars, which has been her strongest event.

Ann Mahar, another Saxon standout, performs in the floor exericse event. Ann is only a junior and will be a big asset to the team in '75.

Mr. Mel Schmidt took over the reins as gymnastic coach and led the girls to a city title.

Carol Routt, a senior, has been a consistant, all-around gymnast for the Saxons. Here, Carol performs on the uneven bars.

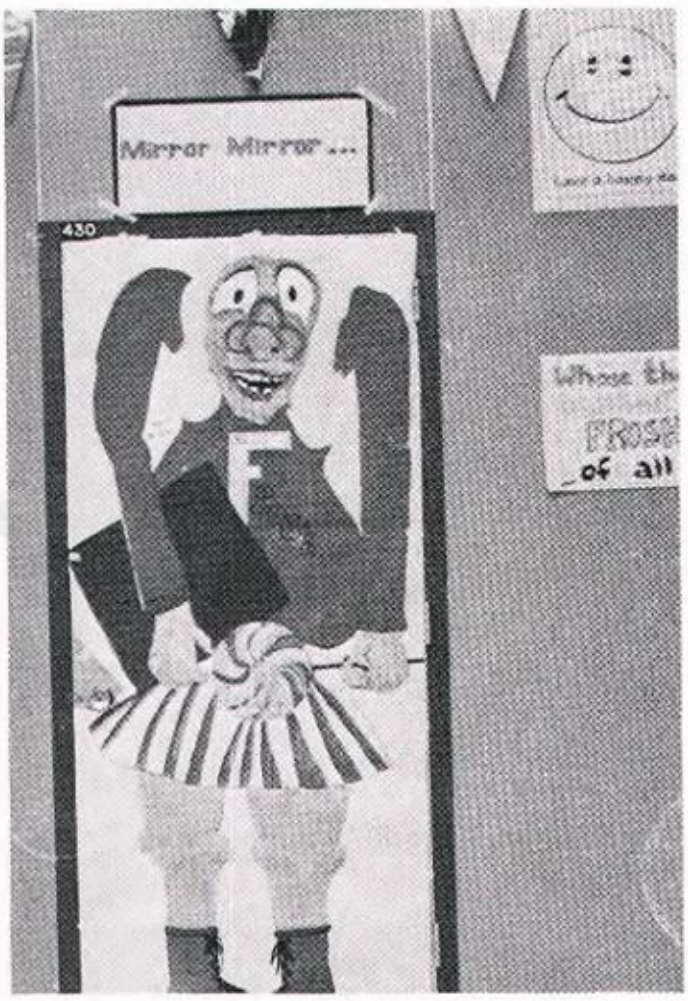
Information



Hello Week once again did its job by producing games, fun, and a lot of excitement during the first week of school.

On Monday things got started with Teacher Day and the Treasure Hunt. Tuesday allowed for excitement with Twin Day (upper left) and Boys' Tag Day with Alison Parry being chosen Mrs. Irresistible. On Wednesday things kept pace with the Girls' Tag Day, Larry Hunt being chosen Mr. Irresistible (middle right) and the relays in the gym (lower right). Thursday allowed for two new events, the Drag Races and the Car Bash (lower middle). Spirit Day, which was held on Friday, climaxed the week with a pep con in the morning (upper middle), judging of the door decorations, a victory over North Central at Albi, and the kick-off mixer in the cafeteria that evening.

Foreign Exchange

This year Ferris was fortunate to be on both ends of the AFS program. Janet Kelly, a senior from Ferris was sent to Vereeniging, South Africa, while Ferris hosted its fourteenth foreign exchange student, Oddvar Larsen from Kristiansand, Norway.

Oddvar blended in well by turning out for football, track and the school musical, "Oliver". In Norway Oddvar enjoyed cross country skiing, fishing and swimming.

Oddvar Larsen is from the seaport of Kristainsand which has a population of sixty thousand. He has two brothers and a sister. His mother is a housewife, and his father teaches teachers.

Janet Kelly arrived in late January from a year's exchange in South Africa. While there she lived with the Collett family. Mr. Collett is an industrial businessman and owns a 31 acre farm as a hobby. Janet attended General Smuts High School, swam for the school and was the tennis team captain.

The American Field Service helped the students at Ferris understand and know the people and ways of Norway and South Africa. Janet enjoyed her stay in Vereeniging, and we hope that Oddvar has had a pleasant visit at Ferris.

To celebrate its tenth year, Ferris held its first Homecoming Week. The week's festivities included an introductory music con, a 1963 Dress-Up Day, float decoration, an Alumni Tea, and class decoration competition. The Homecoming-Keyheart Dance topped off the week with the crowning of the new Keyheart Queen, Eileen Quinn.

The Canterbury Belles, Stage Band, and the Jazz Band were highlights of the music con. Dale Goodwin, ASB President, introduced Homecoming week to the Student Body. Rob Girvin, Key Club President, introduced the Keyheart Queen Candidates.

A dinner of pizza, salad, and pop was enjoyed by all who went to the DECA- Lettermen's Pizza Feed. The Stage Band entertained.

The League of Dresden sponsored the band Fren-ship who played at a convocation before the student body.

Plans had been made for a Powderpuff Football game with the Sophomore and Senior girls challenging the Freshmen and Junior girls. The game had to be cancelled due to 12 inches of snow.

Mark Haidle's best 1963 costume and best decorated car for float competition helped him to be chosen the Most Spirited Saxon of the week.

The Freshman class won the honor of the Most Spirited Class because of their fantastic decoration of the auditorium. Placing a close second was the senior class who used the theme "Seniors are the best, you're right . . . " Sophomores decorated the cafeteria, having Rogers dummies hanging from the ceiling. In fourth place came the Juniors who decorated the top of the four hundred building.

It was an exciting week enjoyed by all participants.

Razzle, dazzle, sizzle zip, come on Saxons, let 'em rip!

Key Heart - Homecoming Dance

The Key Heart-Homecoming Dance climaxed the first annual Homecoming Week. After watching the Saxons battle John Rogers, the students headed for the cafeteria where they danced to Frenship.

Competition for Key Heart Queen was tough with the candidates being Jannie Adams, Eileen Quinn, Maureen Quinn, Georgiann Saiki, Jennifer Bunch, Cindy Cockhill, Cynthia Smith, Denise Hoban, Jenny Allard, and Kathy Endahl.

In the lower four hundred building each candidate decorated a locker where money votes selected the queen.

In the ceremonies during the intermission, Rob Girvin, president of Key Club crowned Eileen Quinn Queen of the 1973 Key Heart-Homecoming Dance. The dance was enjoyed by all who attended and was one of the best all year.

Oliver

This year's musical, "Oliver", was performed under the direction of Miss Lillian Brown on December 6, 7, & 8. Miss Brown came out of retirement to do a splendid job directing a play which was enjoyed by all.

Ron Cully, who played Oliver, headed an all-star cast which included Jeff Wold as Mr. Bumble, Debbie Hughes as Widow Corny, John Odean as Fagin, Geoff Hoff as the Artful Dodger, Linda Cox as Nancy, Tony Porter as Mr. Brownlow, and Mike Eliason as Bill Sykes. Mr. and Mrs. Sowerberry were played by Hayward Martin and Sandy Hawkins.

A special thanks should go to Mr. Wildey and the symphonic orchestra for making Oliver a truly memorable play.

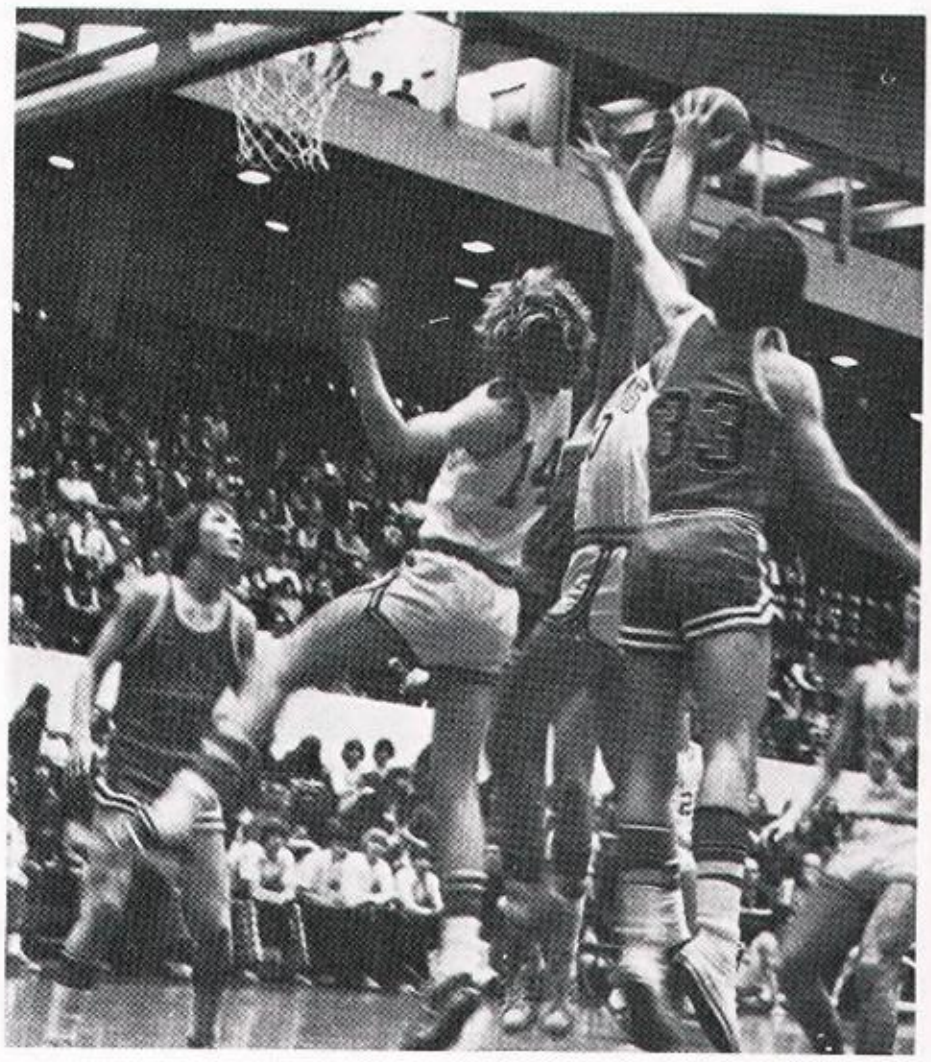
Saxons Sparked by Spectators

Getting high on the game.

Half time gives basketball fans a chance to relax.

Hey Zebra! How can you sleep through all the noise?



Wow, what a streak!

One . . . two . . . cha, cha, cha.

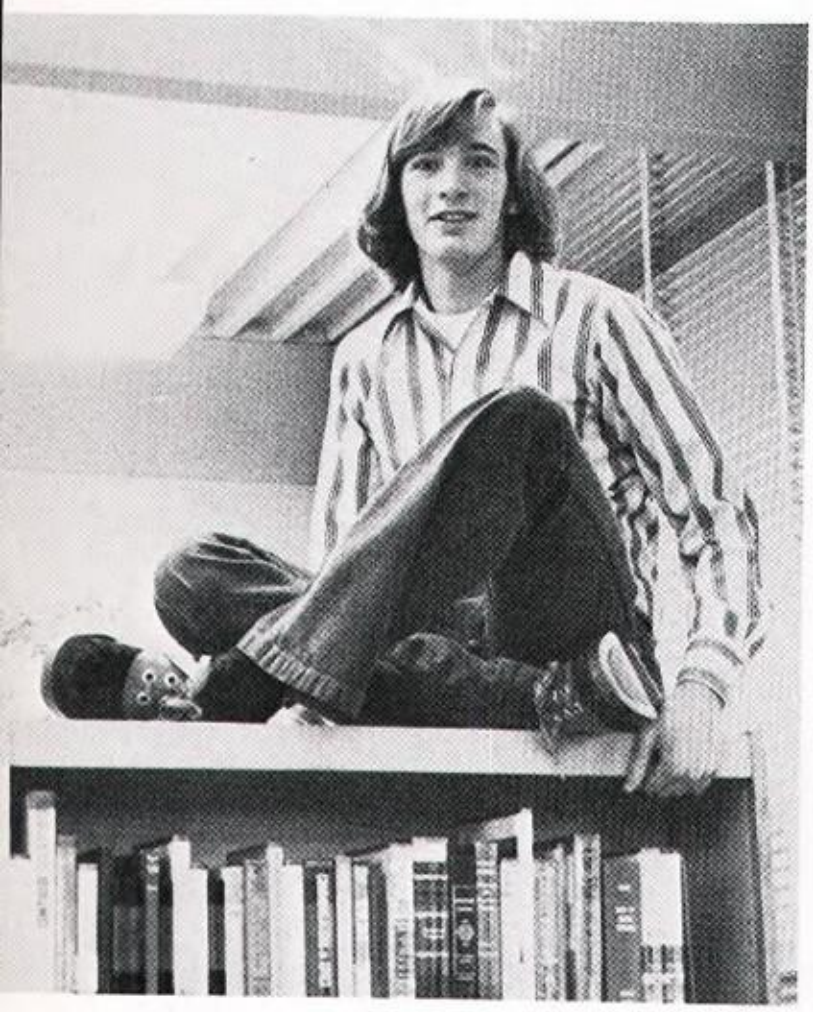
Who cares about the game?

How about that number twelve?

When you said you had hot lips I didn't think you meant you played in the band.

I've never lost my head before

I'm not impressed.



You smoke cigars and stay up late, I sit on book shelves.

CHEESE!

What do you mean by "Streaking"?

Tim, what did you say was in those mugs?

Connie,
It's been a great year and I'm glad I got to know you. You're lots of fun and you're funny. Good luck in all the years to come. Maybe next year I can be in a couple of classes with you.

Student Achievement

The students pictured here are those who have accomplished outstanding achievements while at Ferris. Marilyn Bierly received the Betty Crocker Homemaker Award on the basis of her achievements in home economics which includes a comprehensive test in that field.

Pete O'Brien and Terry Appling were chosen as National Merit Finalists with their high scholastic ratings on the SAT and National Merit Tests.

The FFA'ers went to state competition as they qualified by placing high in district competition, in knowledge of horticulture.

FFA: Mary Alward, Suzanne Lurus, Sherry Stevens, Katherine Nerrass, Christy Schoedel, Mark Haidle, Jackie French, Scott Miller, Alex Szombathy, Becky Willis, Mary Alice Gumaer.

Boys' and Girls' State

The above sextet of Ferris students attended summer conferences of the American Legion Boy's and Girl's State this past summer. These statewide conferences were designed to aquaint the students with local and state governments as well as to teach them many basic leadership skills. They were chosen to represent Ferris on the basis of their own activities and leadership potential.

Geof Fanning, Dale Goodwin, and Pete O'Brien attended the week-long Boy's State session at Gonzaga University. Fanning was elected state representative and Goodwin was elected state senator.

Jannie Adams, Joy Wagner, and Debbie Hughes represented Ferris at Girl's State on the Central Washington State College campus in Ellensburg. All three girls were elected to the State Senate.

All six Ferris delegates are seniors this year.

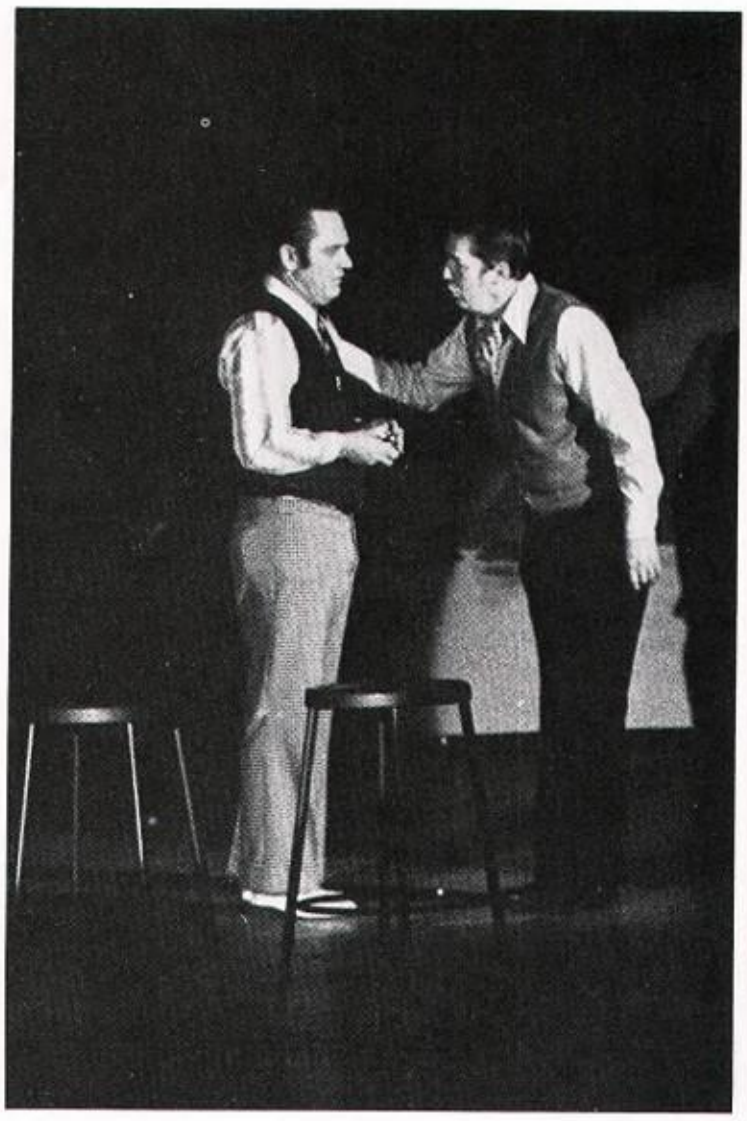
Fashion Board

Each year, the Crescent and Bon Marche department stores choose High School representatives for their fashion boards. Ferris' 1973-74 representatives were Joani Mittelstadt for the Crescent, and Theresa Henderson for the Bon Marche (picture right). The girls were chosen on looks, poise, and the ability to speak. Throughout the year they had the opportunity to model in fashion shows and make new friends.

"Saga of the S.S. Fairlass"

Left to right: Dirk Sneath, Simon Darkheart,

"What do I do about the back?"



"It will be great fun!"

Enter: "the villain".

Harold Stanfast, Desmond Doright, Mrs. Hopewell, and Prudence Hopewell.

"I'm only a bird in a guilded cage!"

"This is our once a year time!"

The P.T.A. "Ham on Regal" players presented the musical comedy "Saga of the S.S. Fairlass". The play, written by a script committee headed by Mr. Bill Fogelquist and directed by Mr. Walt Schaar, was held March 6, 7, and 8. Proceeds from the show went for the "extras" at Ferris such as band uniforms and lab equipment.

The play was about a showboat in deep financial trouble. Trying to save itself from the money-hungry Mr. Uriah Kreep (Mr. Glenn Merritt), the boat entered a race to Spokane Falls, where the Tencentennial Fresh Air Fair and Cross Country Boat race was being held.

Many specialty acts were featured, including some banjo-picking by Mr. John Wynn and his daughter, Kathy. Mr. Larry Stanley had a clarinet solo, and many other parents had the opportunity to display their singing and dancing talents.

Girl of the Month

The League of Dresden honors a girl for h individual achievements each mon throughout the year. These achievemen vary from academics to drama to other ext curricular activities. These awards a deservingly presented and appreciative received by the girls.

Spirited Jannie Adams was October's girl of the month.

Outgoing Shannon Birchill was January's girl of the month.

Mary McCoy was chosen for being the Most involved in the League of Dresden.

November's girl of the month was the musical Judy Meyersberg.

Gymnast Pam Brown was chosen as the March girl of the month for her outstanding ability in sports.

Christy Schoedel's academic achievements enabled her to be chosen May's girl of the month.

Debbie Hughes, above, and Linda Cox, right were the December girls of the month for their drama talents.

time.

PISCHEL YEARBOOKS, INC.

Connie...
... I don't know you that well, but I do know that your sweet and very cute. Good luck with the guys and have a GREAT summer. It's been fun having you in Algebra, and hope to have ya in Geometry next year. See ya later...

... Shannon Neuers

Time is . . .
Too slow for those who wait,
Too swift for those who fear,
Too long for those who grieve,
Too short for those who rejoice;
But for those who love,
time is not.

Connie,
Its going to be sad
leaving the good ole
mountain, also how are
you going to swim.
Just have a good summer
and get a dark tan.
Hope you come down Magnolia
way so we can play Hide-go-
Peek.
Love, Chris

Connie,

Dim really glad Dive gotten
to know you through the
years and have you for a
neighbor. Weve had a lot
of fun in school and out.
Remember how we used to
play hide & seek all the time.
Were going to have to get
everybody together and play
it again sometime. Dim also
glad I had you in my art class.
That is a boaring class, but we
made it fun. Always stay sweet
and Ill see you around. Good luck
always.

Love

Paula
Hennessey

Connie:
Even though you are a real weird, I still like you. I'd like to write more but I'm not sure what to say. It is a privilege to know you. I hope that you have a nice summer. Well, I must close for now. Write more soon. Love, Lesbie (your pal)

P.S. Here's a thought for you.

Connie, you are a really nice girl. I'm glad that I know you. I hope you have fun over the summer. I'll see you next year in some of my classes (I hope.) God Bless.

Your friend
Rita Snow
